• RETURNS & REFUNDS

If you are not completely satisfied, return your purchase in its **original packaging within 30 days** for a full refund. Manufacturing defects or shipping damage are replaced or refunded.

For hygiene reasons, returns are not accepted on instruments that are blown into — recorders, harmonicas, melodicas and kazoos. Please contact our shipping department before returning goods, and package items securely to avoid damage in transit. **We do not accept collect shipments.**

• FREQUENTLY ASKED

Can I pre-order an out-of-stock item?

Yes. Send us the SKU or product name, the quantity, and your name, shipping address and contact details through the contact form.

How will I know when something is back?

On any out-of-stock product page, choose “Notify me when available” and enter your email.

Can I pick up my order?

Customers in the Greater Vancouver region can arrange to collect orders from our Main Street location.

Do you ship outside Canada?

Yes, across North America. Additional freight applies to Canada Post Air Stage Offices, and to Alaska, Hawaii and US territories — contact us for a quote.
